Professor John Satterly visited the Physics Department of the University of Western Ontario on January 20, and spoke to the local section of the Canadian Association of Physicists on "Reminiscences."

Faculty and Department Notes

Professor R. A. Fisher, S.C.D., F.R.S., of the University of Cambridge, has been invited by the School of Graduate Studies to spend easter term as consultant and lecturer in statistics and genetics at Toronto. Office accommodation in the School of Hygiene has been arranged for Professor Fisher and it is expected that he will remain with us from January 10 to April 10.

Sir Reginald Watson-Jones is the guest of the Department of Surgery in the Faculty of Medicine for the week commencing February 22. He comes to Canada as the Arthur Sims Travelling Commonwealth Professor of the Royal College of Surgeons of England, and his tour of Canada is arranged by the Royal College of Physicians and Surgeons

of Canada. Sir Arthur Sims, whose benefaction founded the Chair, desired it to ensure the interchange of surgical knowledge between Great Britain and the nations of the British Commonwealth.

While in Toronto, Sir Reginald will be appointed a visiting Professor of Surgery of the University and will share with Dean J. A. MacFarlane and Professor R. M. Janes the academic activities of the Department. He will deliver a lecture to the final year students and attend a conference of the staff in surgery.

Sir Reginald Watson-Jones is a distinguished orthopaedic surgeon of London and is orthopaedic surgeon to His Majesty, King George VI.

Professor B. Chalmers spoke on "Current Researches in the Physics of Metals" at a Seminar in the Department of Physics on January 19.

The women's section of the School of Physical and Health Education conducted national examinations for basketball referees on January 6 and 7. Four candidates from the School succeeded in securing rating acceptable both in Canada and the United States. This was the first time these examinations have been conducted at the University.

Professor René Bray, Visiting Professor of French in University College, has just arrived from Lausanne to take up his duties here. This eminent French scholar will give a graduate course on the dramatist Pierre Corneille (1606-1684), and will also lecture to some undergraduate classes. In addition, Professor Bray will deliver the final lecture in the University College Public Lecture Series on February 9, taking as his subject, "Le Génie français dans le miroir de la littérature classique."
